

CONSERVATION

SCIENCE BADGE SAMPLE ACTIVITY SHEET

This is a sample Conservation Activity Sheet only. Its main purpose is to show you some of the interesting activities that you can do when you choose this badge. Also, you can use this sample sheet to start doing the badge activities, while your teacher is sending away for the full activity sheet and badge. If you have completed some of these activities before your full sheet arrives, your teacher can mark this sheet, then transfer the marks to the full activity sheet.

Rating		Exercises in Conservation	Teacher's initials and date
2	*	Compose one song or poem with a conservation message.	
12	*	Design and construct a simple apparatus to demonstrate the difference between a solar and a lunar eclipse.	
13	*	Draw or photograph 5 identified native plants within your district.	
18	*	Choose six traditional Maori customs linked to conservation (Kaitiakitanga)	
29	**	Some of New Zealand's native plants and animals are endangered. Select one endangered plant and one endangered animal. List the ways in which each can have its chance of survival improved.	
30	*	Interview a person who enjoys catching some type of freshwater fish. List the rules they have to observe and the methods they use to catch the fish.
