# LARGE ANIMALS

This is a sample Large Animals Activity Sheet only. Its main purpose is to show you some of the interesting activities that you can do when you choose this badge. Also, you can use this sample sheet to start doing the badge activities, while your teacher is sending away for the full activity sheet and badge.

If you have completed some of these activities before your full sheet arrives, your teacher can mark this sheet, then transfer the marks to the full activity sheet.

## Sample Large Animals Activity Sheet

Rating	Exercises in Large Animals		Teacher's initials and date
3	**	Make a poster or digital presentation about introduced animals e.g. possum, deer, goat, stoat, rat including the effect they have on the environment and possible control methods.	
6	*	Find out what makes mammals different from other animals. Present your information in your chosen media.	
10	*	Research a farm animal of your choice e.g. breeding, disease prevention, feeding methods. Present your findings as an information brochure.	
17	**	Research a disease that affects a farm animal including its effects on the animal and treatment. State how the disease would impact on the animal's production and the economic importance to the farmer. Present your results in a format suitable to inform farmers.	
19	*	Who eats who? Make a food web to show predator/prey relationships.	
26	**	You have been asked to trial three brands of cat or dog food. Describe how you would test which food the animal preferred. For an extra star carry out the trial and record the results.
