ENTOMOLOGY

This is a sample Entomology Activity Sheet only. Its main purpose is to show you some of the interesting activities that you can do when you choose this badge. Also, you can use this sample sheet to start doing the badge activities, while your teacher is sending away for the full activity sheet and badge.

If you have completed some of these activities before your full sheet arrives, your teacher can mark this sheet, then transfer the marks to the full activity sheet.

Sample Entomology Activity Sheet

Rating	Exercises in Entomology	Teacher's initials and date
5 *	Write and publish a poem about insects.	
6 **	From observations draw an accurate biological diagram of an insect. Label the key parts or features.	
9 **	Write a short article describing a personal experience involving insects.	
10 **	Imagine you are a cartoonist interviewing a butterfly about its life. Ask about the changes it has experienced since it was an egg. Make a cartoon to illustrate your findings.	
11 **	Visit a museum. Find the insect collection. Write down the name of the largest and smallest one in the display. Write notes about the most interesting insect.	
21 ***	After sunset shine a bright light onto a white sheet to attract insects. Keep a record of how many different insects turn up. You may be able to use a camera to help you. Classify the insects into groups. Show your results as a table of data. Explain why insects are attracted to lights at night.
